Our firm provides full-charge bookkeeping services, including general journal and subsidiary ledger maintenance, bank statement reconciliation, and receivables and payables tracking and analysis. We also bring up-to-date in QuickBooks outdated financial transactions from any back period.

Financial Statements

Our firm prepares QuickBooks-based professional financial statements as well as tailor-made financial analyses that can help business owners and managers eliminate inefficiency and realize a businesses full profit potential.

Tax Preparation

Our firm offers professional preparation of all local tax returns (DGI & Alcaldía) at competitive and affordable rates.

Tax Planning

Our firm continuously monitors local tax law changes to allow its clients to minimize current and future tax liabilities. If necessary, we can implement tailor-made due-date tax compliance monitoring systems to prevent costly interest and penalty assessments attributable to late filing. Of course, we offer full tax preparation and filing services.

Consulting Services

Our firm offers a wide range of consulting services to help you improve business operations, boost efficiency, and increase the bottom line.

About Us

We started this accounting and CPA firm with a single principle in mind: to provide the highest level of personalized client service possible. Simply put, we care about each and every one of our clients. You will always be served by us and delegated staff, and will never have to worry about how many other accountants have access to your private financial affairs or whether a new staff accountant has the proper experience to give you the right advice. If you would like to develop a relationship with an accountant that will know your name, get to know ours.
